Primary Election Day July 19 - Important Information

Dear Friends,

Below is a News Release from the State Board of Elections with useful links for information regarding the upcoming **Primary Election on July 19**. Particularly, please check out the information regarding new districts and polling place locations, as District 11 has been divided into a single-member district (11A--mainly the Owings Mills area) and a two-member district (11B--the rest of the current district).

ANNAPOLIS (May 26, 2022) – The Maryland State Board of Elections (SBE) is encouraging eligible voters interested in casting a ballot in July's primary election to [register to vote online](#). SBE is also urging those who are already registered to confirm their latest district and polling place information using the

The deadline to register to vote in the 2022 Primary Election is **Tuesday, June 28**. Those using the online registration system must submit their completed voter registration application by 11:59 p.m. on that date. To ensure applications are completed and received by 11:59 p.m., SBE advises voters to access the online system no later than 11:50 p.m. on June 28. Those who prefer not to register to vote online may print the registration form ([English](#) version and [Spanish](#) version) and return it by mail or do so at the office of their [local board of elections](#) by 5 p.m. on June 28.

Following the recent redistricting process, county district, state legislative district and congressional district information – as well as polling place information – for some registered voters has changed. For this reason, it is important that **all registered voters** confirm their **current district and polling place information [online](#) or by calling or visiting the office of their [local board of elections](#)**

In addition, early voting, drop-box and election day polling locations have been decided. Baltimore County has 11 Early Voting Centers, the closest of which are below. These are also Ballot Drop Box locations.
